

TRICKY CONTRACT #1: STEALTH IP GRAB

STATEMENT OF WORK & INTELLECTUAL PROPERTY ASSIGNMENT

****Project Name:**** Enterprise Cloud Dashboard

****Effective Date:**** January 15, 2026

****Contractor:**** Apex Digital Solutions

****Client:**** OmniCorp Global Industries LLC

1. SERVICES & DELIVERABLES

Contractor agrees to design and engineer custom web application modules as detailed in Schedule A. Deliverables shall meet Client's sole and subjective satisfaction.

2. INTELLECTUAL PROPERTY & PRE-EXISTING CODE SEIZURE

All work product, code snippets, database schemas, UI component libraries, algorithms, frameworks, developer boilerplates, and personal scripts created, used, referenced, or deployed by Contractor under or prior to this Agreement—including any pre-existing code, modular tools, or personal open-source repositories owned by Contractor prior to execution—shall automatically become the sole, exclusive, and unencumbered property of Client immediately upon creation or usage, regardless of whether invoice payment has been rendered by Client.

Contractor hereby irrevocably assigns, transfers, and conveys all worldwide copyright, patent, trademark, and trade secret rights to Client. Contractor forfeits all rights to reuse, relicense, display, or deploy such code in any future project for Contractor or any third-party client.

3. MORAL RIGHTS & PORTFOLIO WAIVER

Contractor unconditionally waives all moral rights, rights of attribution, and integrity of work. Contractor shall not disclose, display, or reference this project, deliverables, or Client relationship in Contractor's portfolio, website, or marketing materials without prior written consent signed by Client's Chief Legal Officer.

4. INVENTIONS OUTSIDE PROJECT SCOPE

Any software code, tool, invention, or business process conceived, written, or developed by Contractor during the calendar term of this engagement—whether created on Contractor's own personal time, using personal hardware, or completely unrelated to Client's business—shall be deemed "Work Made For Hire" belonging exclusively to Client.
